

## Grade 1 supply list

Dear parents!

Below is a list of things all grade 1 students should have at school every single day. During the first parent-teacher meeting, we will discuss additional supplies for the class like paint, pastels, spare pencils, crayons, tissues, folders and so on. We will collect money to buy these things and all the students will use them during the lessons. This avoids unpleasant situations when for example a student forgets to bring something to school. All the school supplies ought to be marked with the student's name.
